

TAP INTO THE MARKETING POWER OF PRINT – WEB – DIGITAL!

When you advertise in the *Marine Electronics Journal*, you connect with wholesale and retail buyers of marine electronics through:

- (1) ***Marine Electronics Journal*** The number one magazine of marine electronics sales and servicing dealers, retailers, distributors, and others involved in the wholesale side of the business. Advertisers also receive coverage of their new products and technology development. (6,000+ circulation per issue; according to our surveys, each copy is read by an average of 4 people; approx. 24,000 readers per issue)
- (2) ***Marine Electronics Journal Buyers' Guide, Consumer Edition*** The most comprehensive, accurate source of products, dealers, manufacturers, and buying tips on marine electronics for the boating public. The Buyers' Guide, Consumer Edition receives double the circulation of normal issues through distribution by dealers, and through major boat shows including Miami, Fort Lauderdale, Seattle, Atlantic City, and the International WorkBoat Show in New Orleans. (12,000+ circulation; approx. 48,000 readers per issue)
- (3) **www.NMEA.org** This page one Google link (based on key words *marine electronics*) makes sure your marketing and advertising is showcased to the entire marine electronics business and the boating public. (35,000+ visitors per month; 420,000+ visitors per year)
- (4) ***Marine Electronics Journal Online Buyers' Guide, Consumer Edition*** The best searchable database for marine electronics on the Web, the online *MEJ* Buyers' Guide, Consumer Edition makes finding products, dealers, and manufacturers easy. Your marketing and advertising in the *Marine Electronics Journal* puts your company on center stage. For each page of advertising, your company receives one banner ad linked to your company's website. (6,000+ visitors per month; 72,000+ visitors per year)
- (5) ***Marine Electronics Journal Digital Issue*** Our new digital issue is available to all members of the NMEA. Our digital issue of the *Marine Electronics Journal Buyers' Guide, Consumer Edition* is available to the boating public through the websites: www.NMEA.org and www.MarineElectronicsJournal.com. Advertisements in the digital issue are hyperlinked to advertisers' websites.
